Introduction to Neuropsychological Assessment

Arthur MacNeill Horton, *American College of Professional Neuropsychology*

ACPN maintains responsibility for these programs and their content. Workshop participants are expected to have some prior training and experience in neuropsychology assessment. Participation in either workshop is not a sufficient basis to engage in professional practice in this area. The cost of each workshop is \$60 to professionals (check payable to "ACPN") and free to psychology graduate students registered for the APS Convention. Each workshop is offered for 3 hours of Continuing Education Credits (CEs). ACPN is approved by the American Psychological Association (APA) to sponsor continuing education for psychologists.
